3. Any reclassification of a person who was once classified as a non-resident for these purposes shall have prospective application only from the date of such reclassification. In order to qualify for in-district fees, a student must be a resident of Gallia, Jackson, Meigs, or Vinton County and meet the same general residency criteria as stated above to determine residency in the State of Ohio.

Financial Aid

The Office of Financial Aid can assist in the process of applying for financial aid. While financial assistance from your employer, federal, state, institutional, and other sources may help to pay a large portion of your tuition and fees, the responsibility for the remaining portion of the unpaid fees remains with the student.

To schedule an appointment with the Financial Aid Office, please call 740.245.7218 or e-mail finaid@rio.edu. The Financial Aid Office is located in Allen Hall, Room B-1.

Financial Aid Available for Qualified Student

There are two types of financial aid:

1. **Grants** – Credits for tuition and fees that are not required to be repaid, and are generally based on financial need. Financial awards based on academic merit or scholastic accomplishments of the student are referred to as scholarships.
2. **Loan** – Monetary advances that must be repaid with interest over a period of time. Most loans allow students to complete their education before beginning repayment.

Three main sources of financial aid:

1. **Federal** – Federal financial aid, also known as Federal Title IV Aid, includes Pell Grant, Supplemental Educational Opportunity Grant (SEOG), Perkins Loan, Stafford Loan, and Federal Work Study, Federal SMART Grant, Federal Academic Compleitive Grant (ACG), Federal TEACH Grant. All of these are available at University of Rio Grande and Rio Grande Community College. Students must complete a FAFSA (Free Application for Federal Student Aid) to be eligible for federal aid. Eligibility for federal aid program is determined by the federal government and based on each student's FAFSA.
2. **State** – The State of Ohio offers an Ohio College Opportunity Grant (OCOG), which can be applied for all residents of Ohio. The grant is based on need. Students must complete a FAFSA (Free Application for Federal Student Aid) to be eligible for state aid.
3. **Private** – Many private and local organizations have grants and scholarships available to students who meet certain criteria. We encourage all students to perform their own scholarship search. The local library is an excellent source of information on scholarships. The internet is also a good starting place to search for additional funding to help with your educational costs. We recommend the following websites to search for scholarships:
www.rio.edu
www.scholarships.com
www.fastweb.com
www.scholaraid.com
www.collegescholarships.com

Please note that financial aid is based on the number of credit hours taken each semester. Failure to enroll in 12 credit hours per semester will result in a reduction in financial aid. Students should contact the Financial Aid Office with any questions regarding changing the number of credits enrolled per semester.

Applying for Financial Aid

Students interested in applying for financial aid must complete the Free Application for Federal Student Aid (FAFSA) each academic year. The FAFSA can be submitted by completing a paper FAFSA, FAFSA Renewal Application, or through the Internet by using FAFSA on the web (www.fafsa.ed.gov). Students must indicate University of Rio Grande's federal school code (003116) on the FAFSA to ensure proper disclosure of the students' FAFSA information to the Financial Aid Office. The FAFSA should be filed as soon as possible after January 1st each year. Rio Grande has a priority filing deadline of **March 15th**. It is very important to apply as early as possible due to limited amounts of funding for certain federal financial aid. The Supplemental Educational Opportunity Grant (SEOG), Federal Perkins Loan, and Federal Work Study are programs that are awarded on a first-come, first-serve basis to those eligible students.

Awards are made on an annual basis and priority will be given to early applicants. Returning students should complete the FAFSA no later than **March 15th** of each year. Eligibility for federal, state, and institutional financial aid is determined from the results of the Free Application for Federal Student Aid (FAFSA). The FAFSA is used to determine the family's ability to meet the student's cost of education, which is used to determine financial need.

Notification of financial aid eligibility will be made to new students by a mailed Award Letter, and returning students via email. Any student that is interested in obtaining a Federal Stafford Loan or Federal Perkins Loan must also complete a Master Promissory Note (MPN). The MPN is a multi-year promissory note that can be used for an entire collegiate career. This means that once a student completes the MPN, another MPN is not required for borrowing in future years. This process is designed to eliminate paperwork and simplify the process of applying for a Federal Student Loan. Students are asked to complete this process online by going to our website (<http://www.rio.edu/admissions/page.php?ID=finaidloans>).

Various alternative loan programs are available from private lenders to help students with educational expenses throughout the academic year. Most of these loans are credit based and may require a co-signer depending on credit history. A variety of alternative loans options are available in the Financial Aid Office and on the website (<http://www.rio.edu/admissions/page.php?ID=finaidloans>). Please contact the Financial Aid Office (phone: 740.245.7218, e-mail: finaid@rio.edu) if you want to apply for an alternative loan or if you require additional information.

Finalized financial aid will be disbursed to the student's account after the drop/add period each term. Students must have completed and submitted all necessary paperwork required by the Financial Aid Office before financial aid will be credited to the student's account. Balances owed after financial aid is applied to the student's account are the responsibility of the student.

Special Circumstances

If a student or family member experiences one or more of the following situations: loss of income due to unemployment, disability, natural disaster, loss or reduction of untaxed income, separation or divorce, death of a parent or spouse, excessive medical or dental expenses paid out of pocket, parents attending college, sibling private school tuition paid, or a one time lump sum; may be eligible to apply for a Special Circumstance. The granting of special circumstance is based solely on the professional judgment of the Financial Aid Office. The Financial Aid Office reserves the right to approve or reject any application for special circumstance. Contact the

Financial Aid Office for more information. A change of circumstance may change financial aid eligibility.

Standards of Academic Progress Policy

Federal regulations require the University of Rio Grande and Rio Grande Community College to establish policies that monitor the academic progress of all students who apply for and/or receive federal financial aid. To remain eligible for financial aid, recipients are required to show satisfactory progress toward a degree. The Standards of Academic Progress apply for all financial assistance programs including Federal Pell Grant, Federal Perkins Loan, Federal Work Study (FWS), Federal Supplemental Opportunity Grant (FSEOG), Federal Family Education Loans (Stafford and PLUS), Federal SMART Grant, Federal Academic Competitiveness Grant (ACG), Federal TEACH Grant, as well as assistance from the State and the Institution.

SAP at Rio Grande measures a student's performance in the following three areas: completion percentage, cumulative grade point average (GPA), and maximum time frame (MTF).

Completion Rate

At the completion of each semester, a student's academic progress will be measured by comparing the number of attempted hours with the credit hours earned. Attempted hours include any course for which the student remained enrolled past the Add/Drop period. Earned credit hours are those courses in which a grade of A, B, C, or D was received. In addition, the SAP policy takes into consideration both Rio Grande coursework and transfer credits from other educational institutions. Incomplete or repeated courses at Rio Grande are considered in the calculation of attempted hours.

Cumulative GPA

All students are required to have a minimum of a 2.00 cumulative grade point average to graduate from Rio Grande.

The following table illustrates the Standards of Academic Progress Policy:

Total Credit Hours Attempted	Cumulative GPA Required	Minimum Completion Percentage Required
1-15	1.50	65%
16-31	1.80	65%
32-52	1.90	70%
53 - Graduation	2.00	70%

Maximum Time Frame

Students must complete their academic program within a specified maximum time frame (MTF), as required by their chosen program of study. Federal regulations allow a student to be eligible for financial aid up to 150% of the published credit hour requirements to complete the degree program. All hours of enrollment will calculate into a student's MTF. Students exceeding MTF will be denied further financial aid.

SAP Review

Academic Progress will be reviewed at the end of each semester. Students not meeting the minimum requirements listed **may** be placed on Financial Aid Probation. Students will receive an e-mail of Financial Aid Probation status. During the probationary period the student will continue to receive state and federal forms of financial aid. No institutional financial aid will be applied while a student is on Financial Aid Probation. At the end of the probationary period the student will be removed from probationary status because both cumulative GPA and cumulative completion rate standards are met; or be suspended from receiving federal, state, and institutional aid and will receive an e-mail of Financial Aid Suspension.

Appeals

Appeals may be granted based on extenuating circumstances. Students must be able to demonstrate that the extenuating circumstance had a direct impact on their academic performance. Students must put their request in writing and submit them to the Director of Financial Aid at least two weeks before each semester begins. Students may be asked to provide documentation of the situation. If an appeal is approved, the student's financial aid will be reinstated.

Return of Unearned Title IV Funds Policy

The Higher Education Amendments of 1998 imposed regulations for the University and its students. **Effective September 26, 2000, students receiving Federal Title IV aid who completely withdraw from classes prior to the 61% point of the term, may be required to repay funds to the program(s) from which such funds were received.** Title IV aid programs include: Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (SEOG), Perkins Loan, Stafford Subsidized, Unsubsidized, and Parent PLUS Loans. Please refer to our website at www.rio.edu/finaid for more information.
